Dear Commissioner Jere C. Hanney,

As a member of the Center for Science  
in the Public Interest I urge you to save  
human lives by banning ~~the~~ <sup>5333</sup> ~~99,111~~ <sup>21</sup> ~~P2-04~~ daily  
useful antibiotics in animal feed. Adding  
antibiotics to feed in order to promote growth  
can make bacteria resistant to those anti-  
biotics. And that can leave physicians with  
no way to treat life-threatening bacterial  
infections in humans. That's why I support the  
petition filed by "Center for Science in the  
Public Interest."

Sincerely,

Janice K. Hasek
